## About Me

Aspiring UI/UX and graphic designer currently pursuing training at Tops Technology in Ahmedabad. Passionate about creating visually appealing and user-friendly designs, I am eager to gain practical experience through an internship. I am committed to learning, applying my skills in a real-world setting, and contributing to innovative design solutions.

## Project

### Wedding Planner Website
june-2024 to sep-2024,Ahamdabad

I designed and developed a responsive one-page website for a wedding planning business, focusing on elegance and visual appeal. Using Adobe Photoshop, I created a layout with sections for services, an event gallery, testimonials, and a contact form, ensuring a seamless and user-friendly interface. The design highlights a romantic theme with attention to typography, color palette, and imagery.

## Education

### Bachelor of Computer Applications (BCA)

## Training

UI/UX and Graphic Design Course
2025 – Present

I completed a UI/UX design course at Tops technologies in Ahmedabad, where I gained essential skills in user research, wireframing, prototyping, and visual design. The course covered UI design principles, color theory, typography, and layout, and I learned to use tools like Figma, Sketch, and Adobe XD. I also gained hands-on experience through real-world projects and learned the importance of usability testing and user feedback.

## Soft Skills

Creativity: Skilled in crafting unique and user-friendly designs tailored to client needs.
Problem-Solving: Adept at identifying user pain points and providing innovative design solutions.
Communication: Effective in articulating design ideas and collaborating with team members and clients.
Adaptability: Quick learner with the ability to work efficiently in dynamic and fast-paced environments.
Attention to Detail: Ensures precision in design elements for consistency and quality.
Time Management: Capable of meeting deadlines while balancing multiple projects effectively.
